All community service must be voluntary (court-ordered community service may not be submitted to the Career Lab). All service must be pre-approved by Mrs. Holleran before documenting the hours on this form. Community Service Guidelines are listed outside the Career Lab door where the green documentation forms are stored. Please read them and ask questions for clarification. School and community service hours must be submitted during the semester they were earned to receive credit. Summer hours must be submitted during fall semester of the upcoming school year to receive credit.

Silver Cord Eligibility is at noon on the last Wednesday of April during a student's senior year. 150 or more hours must be completed, documented and submitted by the deadline to qualify for this honor.
